

TwoGreySuits

...because HR happens

From initially matching a person's skills to the job requirements, to communicating clear expectations and recognizing a job well done, the HR Power Centre will provide the direction and tools you need to drive employee engagement in your organization.

Like it or not, every employer has to deal with HR challenges...Because HR Happens. The HR Power Centre will enable you to deal with people issues quickly and effectively and get on with running your business. And, if you run into trouble, the HR Hot Line is available for immediate solutions and support.

- All the tools you need to drive employee engagement
- Over 1500 pages of downloadable valuable information to help you manage your people
- HR documents, HR guides, HR forms, HR templates, resources and more.
- 24/7 unlimited support on our HR Hotline
- Lower your costs for HR and Legal.
- Limit your liability by knowing the answers to important HR related questions.

Canada East Equipment Dealers' Association has entered into an agreement with TwoGreySuits to provide TwoGreySuits' unique Human Resources service to its members at a discount from the retail price. Please complete the information on the sign up page below to access these valuable services. Access to the HR Power Centre and 24/7 HR Hotline will be granted immediately upon completion of the form. We encourage your participation in this program and hope that you will find it beneficial to your company and its employees.

"We signed up at a CEEDA dealer meeting just to try it out and we loved it so much we keep renewing every year. I often call or email TwoGreySuits directly and always have a response the same day." **Delta Power Equipment**
